

Kigali, Rwanda | Available 24/7

COMPANY INTRODUCTION

Megira Transport & Logistics is a safety-first logistics partner for industrial, construction, mining, and commercial clients in Rwanda — trucking, heavy-duty haulage, crane rental, and equipment & materials supply, all under one roof. For over 2 years, clients have trusted Megira to move what matters safely, on schedule, and without surprises.

MAIN SERVICES

Transport & Logistics

General freight, distribution, scheduled and on-demand haulage.

Heavy-Duty Haulage

Oversized and abnormal loads on lowboy and multi-axle trailers, with permits, route surveys, and escorts arranged.

Crane Rental

Mobile and hydraulic cranes with certified operators for lifting and rigging.

Equipment & Materials Supply

Sourcing, procurement, and delivery of construction and industrial equipment and materials.

FLEET

CAPACITY RANGES

- Flatbed & box trucks — up to 15 tons
- Lowboy & multi-axle trailers — up to 100 tons
- Mobile hydraulic cranes — 25–250 ton capacity
- Sinotruk HOWO trucks — up to 40 tons

SAFETY & OPERATORS

- Rigorous safety protocols on every job
- Certified, experienced crane and truck operators
- Regularly serviced, well-maintained fleet
- Permits, route surveys & escorts for abnormal loads
- 24/7 dispatch and support line

AREAS SERVED

Kigali (Kanombe, Kicukiro) home base, with haulage nationwide across Rwanda, plus regular cross-border service into Kenya and Tanzania.
